DEPARTMENT OF SMALL BUSINESS DEVELOPMENT

NO. R. 696

19 JUNE 2020

DIRECTIONS ISSUED IN TERMS OF REGULATION 10(8) OF THE REGULATIONS MADE UNDER SECTION 27(2) OF THE DISASTER MANAGEMENT ACT, 2002 (ACT NO. 57 OF 2002): MEASURES TO PREVENT AND COMBAT THE SPREAD OF COVID-19

I, **Khumbudzo Ntshavheni, MP, the Minister for Small Business Development**, in terms of the Regulations published in Government Gazette No.43364, Government Notice No. 608 of 28 May 2020, and made in terms of section 27(2) of the Disaster Management Act, 2002 (Act No. 57 of 2002), hereby issue the Directions set out in the Schedule hereto in order provide protocols to mitigate and manage the COVID-19 outbreak amongst employees and customers in the personal care services industry, as per Table 2 (7) of Alert Level 3 Regulations, which specifies that the Directions of the relevant Cabinet member (herein the Minister for Small Business Development) may identify categories of services, in consultation with Cabinet member responsible for health (Minister of Health) as safe to resume, under specified conditions.

KHUMBUDZO NTSHAVHENI, MP**MINISTER FOR SMALL BUSINESS DEVELOPMENT**

DATE: 18-06-2020

DEFINITIONS

1. In these Directions, a word or expression bears the meaning assigned to it in the Regulations promulgated in Regulations published in Government Gazette No.43364, Government Notice No. 608 of 28 May 2020, and made in terms of section 27(2) of the Disaster Management Act, 2002 (Act No. 57 of 2002), and unless the context otherwise indicated
2. **“Regulations”** means the regulations published in Government *Gazette* No. 43364, Government Notice No. 608 of 28 May 2020.

SCOPE

- 3 These Directions are issued in order to assist categories of services under the Personal Care Service industry that are deemed as safe to resume operations and specify conditions (protocols) under which such services may operate.
- 4 The permitted services under this Directions may only commence with operations upon ensuring full compliance with the relevant protocols for their services.
- 5 The categories of services that are deemed safe to resume operations are the following-
 - a) Hairdressing;
 - b) Barbering;
 - c) Nail and toe treatment;
 - d) Facial treatment and make – up;
 - e) Body massage; and
 - f) Tattooing and body piercing.

SCHEDULE**PROTOCOLS FOR THE PERMITTED PERSONAL CARE SERVICES****1. OBJECTIVES OF THE PROTOCOLS**

- 1.1 The objectives of these protocols is to assist employers to establish an environment that mitigates the spread of Covid 19, which if properly implemented and complied with, would assist with the sustainable of health and safety of the employees and customers in the personal care services industry.

- 1.2 These protocols have been developed to provide a framework to mitigate and manage the COVID-19 outbreak amongst employees and customers in the personal care services industry.

2. SCOPE

- 2.1. These protocols apply to the personal care services industry, employees and customers to prevent the exposure to COVID-19.
- 2.2 These protocols are issued in order to assist Personal Care services industry (formal and informal), to comply with the Lockdown Regulations.

3. PROTOCOLS

- 3.1. The developed protocols for COVID-19 operations will apply to the personal care industry (formal and informal) in Level 3 and in particular the following subsectors:
 - 3.1.1. Hairdressing;
 - 3.1.2. Barbering;
 - 3.1.3. Nail and toe treatment;
