

FINING AGENTS

PLANTIS AF-L

Vegan fining agent

	<p>COMPOSITION Liquid preparation based on vegetable protein (<i>Pisum sativum</i>) and sulfur dioxide (< 0.3%).</p>
	<p>GENERAL CHARACTERISTICS Plantis AF-L is a non-allergenic vegetable protein preparation for the clarification and stabilization of must and wine.</p> <p>The vegetable protein is particularly effective in removing:</p> <ul style="list-style-type: none"> oxidized and easily oxidizable phenolic substances, mainly catechins and leucoanthocyanins, responsible for browning, bitterness and loss of aromatics; tannins; iron. <p>In must flotation, Plantis AF-L accelerates the formation of floccules and their rise to the surface, increases the compaction of lees and the yield in clear must.</p> <p>Plantis AF-L can be used in the production of organic wines in accordance with Regulation (EU) N. 2018/1584 and in the production of wines destined for consumption by vegetarians and vegans.</p>
	<p>APPLICATIONS</p> <ul style="list-style-type: none"> Must flotation. Clarification and stabilization of must and wine. <p>To improve the clarifying efficacy of Plantis AF-L, its use in combination with bentonite (Pluxbenton N, Bentolit Super, Pluxcompact or Pharmabent) is recommended.</p>
	<p>DOSAGE Must: 30 - 60 mL/hL Wine: 20 - 80 mL/hL Preliminary laboratory trials are recommended to determine the correct dosage.</p>
	<p>INSTRUCTIONS FOR USE Shake the product before use. In static clarification, add Plantis AF-L directly to must or wine using a Venturi tube or dosing pump, during pump over or racking. For maximum effectiveness, it is recommended to add the product in at least half the volume to be treated. In flotation, add by dosing pump.</p>
	<p>PACKAGING AND STORAGE CONDITIONS 20 kg Sealed package: store in a cool, dry and well-ventilated area. Opened package: carefully reseal and store as indicated above.</p>
	<p>COMPLIANCE The product is in compliance with the following specifications: Codex Oenologique International Product approved for winemaking in accordance with: Reg. (EU) 2019/934</p>

The indications given here correspond to the current state of our knowledge and experience, however they do not relieve the user from compliance with safety and protection regulations or from improper use of the product.
